# CURRIC T: Access from home

Staff have asked for the CURRICULUM T: to be moved to LawnCloud.

CURRICULUM T: is what the students use in ICT Suites, it is NOT ADMIN T:

Students can access any of these files at home, in case they are needed for lessons.

For students to access these files the website address is:

https://lawnswoodschool.sharepoint.com/t_curric

For staff to access these files the link above can be used or simply the same link you are using for LawnCloud already https://lawnswoodschool.sharepoint.com

Then click on the T CURRIC link

Inside school, access to LawnCloud:

ADMIN NETWORK   **CURRIC NETWORK**

Please remember NEVER to log a student on with your username and password OR allow a student to use your log on. This will allow students to access ADMIN data, which breaks GDPR rules.
